WORK EXPERIENCE

Laravel Intern

Punjab IT board

08/2021 - 02/2022

Lahore

Achievements/Tasks

- In this company I learned basic concepts of PHP and Laravel with Front End development.

Backend Intern (Laravel)

Brown Tech Int

10/2023 - Present

Lahore

Achievements/Tasks

- In my role at this company, I started from scratch, developing a basic CRUD system and progressing to an advanced online shopping platform. I've acquired modern techniques for handling complex logics and am currently enhancing the company's HR portal

PERSONAL PROJECTS

District Multan - Website (08/2021 - 02/2022)

- This is a Government based project for the Multan division and I created this system during my Internship. I used Laravel and MySQL for backend and HTML, CSS for frontend development.

Student Management (CRUD) (08/2021 - 02/2022)

- Built using Laravel and MySQL
